**Request for Reproduction of Items from the Collections**  
**COPY CHARGES MAY APPLY**

**PLEASE READ, SUPPLY THE INFORMATION REQUESTED, AND SIGN THE COPYRIGHT AGREEMENT.**

All requests for copying are reviewed by the curator responsible for the material and are processed in the order in which they are received. While many requests are approved, the curator may determine that your reproduction request must be limited or denied for reasons such as donor restrictions, amount of copies requested, or because the act of copying would damage the item. If such a decision is made, the Copy Services Manager will contact you. **Reproduction of material will be done only in compliance with the U.S. copyright law.**

Make sure your request is reviewed by a staff member before you leave the Library. **Payment is due before the reproductions are relinquished.** Reproductions will be sent by email, delivered through the University's FTP site, or saved to a CD/DVD for you to pick up.

**PLEASE ANSWER THE FOLLOWING QUESTIONS:**

**COPYRIGHT LAW:** The copyright law of the United States (Title 17, United State Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying request if, in its judgment, fulfillment of the request would involve violation of copyright law.

I hereby certify that I have obtained the written consent of the copyright holder of the materials described on this form (a copy of which is attached), or, if such consent has not been obtained, I certify that reproduction of the material(s) complies with the Copyright Act of 1976.
